

## **Volunteers needed for an elementary afterschool program!**

Aloha!

Nā Liko is a local afterschool program operating at Aina Haina Elementary School for the 20182019 school year. We are in need of volunteers to join our team to help us provide a safe, fun, and enriching program for our keiki! Volunteers typically assist with the daily duties, including homework help, leading/assisting with enrichment activities, and general supervision and unstructured play. This is a great way to gain experience working with elementary students! College students are welcome and encouraged to apply, we will work with your schedule!

Our program runs every school day from when school lets out until 5:30pm. (M, T, TH, F 2:00–5:30, W 1:15–5:30). We are new to the school this year, but our program is built on years of experience. This is a great way to complete the volunteer hours for an education degree, and we have worked with and trained several successful college of education students.

Enrichment activities are provided, but we also welcome activity ideas! Activities are planned around a monthly theme and include crafts, STEM, cooking, sports, community service projects, art, Life Skills, along with other miscellaneous activities. Our activities are planned with the Nā Hopena A’o (Hā) outcomes in mind.

If you would like to volunteer at our program please visit the “About” section of our website ([www.NaLiko.com](http://www.NaLiko.com)) and fill out a ‘Volunteer Application.’ The safety of our keiki is the top priority of our program, and, as a result, all applicants including volunteers are required to satisfactorily complete an interview and background check.

Please don’t hesitate to contact us with any questions! We look forward to meeting you!
